

Jefferson School Improvement Plan for 2016-2017

Literacy:

- Help all of our students increase their literacy skills
 - Small group reading instruction
 - Additional interventions for students who are struggling
 - Accelerate growth of all ELL students.

Math

- Help all of our students increase their math skills
 - Guided math in grades K-8
 - Do the Math intervention for 3 – 5
 - Dreambox for additional support for grades K-8.

Student Engagement:

- Build community for all students
- Identify clear expectations

Family Engagement:

- Increase communication
 - Connect with families through family meetings once a month
 - Monthly Jefferson Newsletter
 - Family nights
